DOGS DIE IN HOT VEHICLES - PLEASE READ ME

Dogs in Vehicles on Hot Days. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don't's travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dogs welfare.

WARNING:

IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put the dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under the Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

Introducing your Judge

MR DAVE KILLILEA
(REDWITCH)

I have been involved in the showing and breeding of pedigree dogs for over 40 years, starting with Bulldogs, progressing to the Rottweiler and then for the last 30 years, the breed I am probably best known for, Akitas. I am approved by the Kennel Club to award Challenge Certificates in 10 breeds across the Utility and Working Groups and I am also approved to judge both the Utility and Working groups at Championship Show level.

I was one of the assessors involved in splitting the Japanese Akita Inu and the Akita and travelled to Sweden to assess the breeds there. In 2006 at Birmingham National Championship Show, I was given the honour of judging the first classes of Japanese Akita Inu scheduled as a breed in their own right. I have since judged the breed in various countries abroad, awarding CACIB's in Spain, Germany, Italy, Denmark and Ireland. I am delighted to have this opportunity to judge for the UK club.

In estimating the number of awards won, all wins up to and including the seventh day before the date of the closing of entries shall be counted when entering for any class i.e., 13th November 2017. - c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.

RULES & REGULATIONS

1. The BUBA Championship show opens at 07.30 a.m. The Japanese Akita Inu Club show will commence in the ring following completion of judging of the BUBA scheduled classes for the breed.
 2. Dogs will be received at any time but it is the exhibitors responsibility to ensure that their exhibits are available for judging when required.
 3. Judging at this show will not commence before 11:00am prompt.
 4. Exhibits may be removed from the Show after their judging has been complete. This Show will close half an hour after all judging has been completed.
 5. The use of cooking stoves in the proximity of the tenting and benching areas is forbidden except as authorised by the Show Manager.
 6. Entry fees: Members £10.00 per dog; subsequent entries with the same dog £2.00. Non Members £12.00 per dog; subsequent entries with the same dog £3.00.
 7. There will be no Prize Money on offer at this Show.
 8. The Committee reserves to itself the right to refuse entries.
 9. Puppies under six calendar months of age on the first day of the show are not eligible for exhibition in the Open Show.
 10. The mating of bitches within the precincts of the Show is forbidden.
 11. **Best Puppy In Show:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. (Please refer to the FAQs on the Kennel Club Website for further information). Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed and Best Puppy in Show. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy.
- B. Withdrawal from Other Competition. Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes and Best Puppy in Breed, prior to the competition for Best Puppy in Show as appropriate in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Puppies may be withdrawn from AV Classes when judged before Breed Classes. Proviso. For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
- Proviso:** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

12. **Best In Show:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. (Please refer to the FAQs on the Kennel Club Website for further information). The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from all unbeaten winning dogs. Reserve Best in Show must be selected from the remaining unbeaten winning dogs following the selection of Best in Show. Withdrawal from other competition. Dogs which become eligible for Best in Show may be withdrawn from all other competition other than breed classes and Best of Breed prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from AV Classes when judged before Breed Classes. Proviso. For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
 13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with special permission of the Show Management.
 14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show regulation F11.
 15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
 16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
 17. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.

18. Not For Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
 19. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
 20. All entries must be received on or before Monday 20th November 2017(postmark) to be accepted.
