This is an interesting and interactive event that will provide invaluable insight and understanding of how to interpret and apply the current breed standard for the Japanese Akita Inu. The itinerary is deigned to aspiring or experienced judges looking to develop their portfolio of judging experience as well as to assist new or prospective owners and breeders. This educational event is limited to a maximum of 15 delegates therefore places are offered on a 'first come first served' basis.

Following receipt of your form and payment we will confirm your reservation and forward your delegate pack containing directions to the venue, pre-course reading literature and itinerary for the day as well as details of what you will be required to bring with you.

We do hope you are able to join us at what should prove to be an inspiring and thought provoking seminar. In the meantime, should you require further assistance please do not hesitate to contact me.

Yours sincerely,

Maureen Thompson
JAIC Seminar Co-ordinator
